

Certificate of constancy of performance,

0832-CPR-F1688

In compliance with Regulation 305/2011/EU of the European Parliament and of the council of 9th March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

X9800 Conventional IR Flame Detector

(For full product details and conditions of use refer to appendix)

Produced by or for

Detector Electronics Corporation

**6901 West 110th Street
Minneapolis
Minnesota
55438
USA**

and produced in the manufacturing plant(s)

Detector Electronics Corporation

**6901 West 110th Street
Minneapolis
Minnesota
55438
USA**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the standard(s)

EN 54-10:2002 + A1:2005 - Flame detectors - Point detectors

under system 1 are applied and that

the product fulfils all the prescribed requirements set out above.

This certificate was first issued on 26 August 2016 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.
